District- Giridih, State- Jharkhand,

INDIA, Pin- 815301

Executive Summary

On behalf of Banwasi Vikas Ashram honour to present the annual report of the Organization for the year 2018-19. This year was a year of renovation when some fundamental policy and Program level decision were taken to improve the overall program management system of the organization.

The Organization feels pleasure write down that the outcome of the meetings of its Board and executive committee concluded that Banwasi Vikas Ashram would be more focusing on the Gender equality, elimination of Child labour, Mother and Child health, family planning, Livelihood, Nutrition security, sanitation and primitive tribes people, women and women headed family, GIRL child, socially excluded groups, marginalized farmers, adolescent girls, Child labour and under 5yers children to ensure these people have access to their rights and entitlements.

Within this year Organization strengthening the women self-help groups, farmers group, adolescent girls and expectant mothers and lactating mothers as priority through the steps of their capacity building through financial literacy, farming and non-farming activity, Nutrition security, child marriage right, malnutrition reduction, anaemia control, promotion outreach activity for child labour elimination, reproductive health, sanitation, non-formal education and convergence

From side to side this year BVA developed perspective plans on Livelihood, Gender, Health, Nutrition, sanitation, education and skill building to develop a road map to move forward in a planned way. The input focus to which our organization planned was on the Girl child, Women, Adolescent Girl, farmers, child labour, under 5yers children and primitive tribal groups.

Banwasi Vikas Ashram expressing its contentment and thankfulness to donors, Partners, individual donors, Stock holders and NGOs net working for the guidance and technical support to way forward the program management process and result.

Banwasi Vikas Ashram is conveying its sincere esteem and admiration towards the community and project participants for their excellent support and cooperation for the project implementation.

Banwasi Vikas Ashram also acknowledged the cooperation and teamwork of Board members, project staff, and Members of Program Management Executive committee for the program excellence.

With Kind Regards

Suresh Kumar Shakti

Secretary

Briefing

Banwasi Vikas Ashram is a grass-root voluntary organization working in Koderma, Hazaribagh, Chatra, and Giridih districts of Jharkhand to move forwards for the rural development of the community on the Education, livelihood, elimination of Child labour, Health, Adolescent girls health, Nutrition security Right to food, Child marriage, Youth skill building ,e learning and WASH. Banwasi Vikas Ashram also provide technical assistance to develop self-help approach among the underprivileged community for the starting with their immediate concerns and developing the inbuilt system to empower local community for taking up development initiatives by themselves. Banwasi activities started with Chatra land movement, where the founders of BVA and their associates mobilized Dalit and deprived community for their land-rights, declaring their entitlements leading to their final emancipation from Jamindars. The control of the tillers of the land over their land caused much unrest in the area, but it also helped to set off the increased influence of naxal movement with peaceful agitations. At that time there was a wide gap in terms of quality and access to education that motivated Banwasi to work on education in the areas with miserably poor literacy and education.

Vision

- To establish an ideal society based on values of liberty, equality, fraternity and Justice; regardless of caste, religion, class and gender discriminations. A caring and Sharing Society based for equitable, socially just, educated and democratic Society.

Mission

- To create confidence among rural people in their empowerment to attain self-reliance, and capacitate them for their well-being through educating them; and also, to initiate remedial measures quickly and strategically to push people's aspiration to optimum level and work for the Integrated Development of the Community.

Objective

- To put an effort for the eradication of nation- wide illiteracy and superstitions and to develop farming-based cottage and small industries for the up-liftmen of the rural stacks.
- To empower the socially excluded groups especially women, youths, adolescent Girls and tribal Communities, physically and mentally challenged sections of the society in rural and urban areas to strengthen their socio economic, health, educational, Nutrition and livelihood options, opportunity and way of thinking, especially on the GOOD PRACTICES.
- To work for elimination of child labour and child marriage Climate Change adaption.

- To work for the optimum utilization of the available human, natural and Institutional resources for uplifting underprivileged, unfortunate and deprived communities ensuring Gender equality, Equity and diversity. Through SKILL BUILDING to improve economic status, nutrition security, health status accesses and entitlements for the RIGHTS specially for the women, Girl child, youth, disadvantaged, deprived, and needy segments of village, urban, tribal and primitive tribal's community with multi-stakeholder's partnership.
- To promote and Organize Community empowerment through Information Communication Technology (ICT) for the sustainability of Knowledge-Behaviour-Practices on Child, women rights, gender, sanitation, WASH in schools, nutrition, financial inclusion, adolescent health intervention for the excellence and mainstreaming the deprived community development. To promote and facilitated the Government of India program for Swacha Bharat abhiyan.
- We promote the Government of India/Govt Of Jharkhand's Community development program for the convergence.

ORGANOGRAM

Activities in the Year 2022-23:

CHILD LINE 1098:

The Objective of CHILDLINE 1098 extensively promoted as India's first national, 24-hour, emergency free phone outreach service for children in need of care and protection linking them to long term services for their care and rehabilitation. This comprises mostly children between the age group of 0- 18 years in distress.

CHILDLINE 1098 has received the calls and changed the lives of children. Banwasi Vikas Ashram is assisting CHILDLINE INDIA FOUNDATION. Any person can CALL CHILDLINE 1098 to join fight the atrocities faced by the little children. Our operation area is CD BLOCK BAGODHAR, SARIYA AND DUMRI OF GIRIDIH DISTRICT OF JHARKHAND.

With support of CHILDLINE INDIA FOUNDATION, Banwasi Vikas Ashram organized OUTREACH process at Villages, Bus stand, Anganwadi, religious places, festivals, PVTG villages, Village Bazaars the series of events, competitions, awareness generation program, IEC, IPC and publicity to create an aware culture towards Child protection. A campaign on 'Child line Se Dosti' was held from 14th November' 2022 The purpose of outreach campaign are to sensitized the community about the Rights of the child and the ways to protect the rights and to make the teachers aware against committing any violations of child rights of the school children and To Aware and educate the community, SHG, Schools, local are bus and auto taxi stand ,village hats, AWW, Sahiya, Jalsahiya and youth about the using and spreading of CHILDLINE Toll Free No 1098. During the we have conducted 310 outreach session and 62 Open houses.

Women Empowerment:

We continued to empower women by providing skill training and income generation opportunities. Several women self-help groups were formed, enabling them to start small-scale businesses such as handicrafts, dairy farming, and organic farming. A total of 200 women actively participated in these initiatives, fostering economic independence and self-reliance.

Healthcare and Nutrition:

Ensuring access to healthcare and proper nutrition remained a priority for Banwasi Vikas Ashram. We organized medical camps in remote villages, providing free health check-ups, vaccinations, and essential medicines. Additionally, our nutrition program reached over 1,000 children and pregnant women, offering nutritious meals and awareness sessions on balanced diets.

Challenges

- **Limited Resources:** Despite the progress made, limited financial resources and infrastructure continue to pose challenges in expanding our programs and reaching more beneficiaries.
- **Connectivity:** Remote locations and limited access to transportation have hindered our ability to reach some communities effectively.

Future Plans

1. **Strengthen Education:** We aim to enhance the quality of education by providing teacher training and introducing technology-based learning methods in schools.
2. **Livelihood Support:** We plan to expand our skill development programs and establish cooperative societies to facilitate market linkages and access to finance for tribal entrepreneurs.
3. **Sustainable Development:** Our focus on sustainable agriculture will continue, with an emphasis on organic farming, water conservation, and promoting agroforestry practices.
4. **Community Outreach:** We intend to strengthen our engagement with local communities through awareness campaigns, workshops, and active participation in Gram Panchayat meetings.

Conclusion

The past year has been marked by significant achievements in our endeavours to uplift tribal communities in Giridih. We express our gratitude to our dedicated team, volunteers, donors, and government agencies for their unwavering support. We remain committed to our mission of fostering sustainable development, promoting education, empowering women, and conserving the environment. With continued support, Banwasi Vikas Ashram will strive to create a brighter and more prosperous future for the tribal communities we serve.

Thank you.

Signed,

Suresh Kumar Shakti

Secretary
